✦ FINISHING, BLOCKING & GARMENT CARE

✦ Weaving Ends & Assembly

Weave in all remaining yarn tails securely on the wrong side of your finished knit turtle neck pullover. Take care to ensure all seams are neatly joined for a professional finish.

✦ Blocking for Perfect Drape

Blocking is essential for this beautiful knit turtle neck pullover! Gently steam block your completed sweater or wet block by soaking, then pinning it flat to the finished measurements. This will relax the stitches and ensure a lovely drape.

✦ Washing & Garment Care

To keep your knit turtle neck pullover looking its best, hand-wash it in cool water using a wool-safe detergent. After washing, roll the garment in a clean towel to gently remove excess moisture, then lay it flat on a clean, dry surface or blocking mats to air dry completely. Avoid hanging to prevent stretching.
