FINISHING, BLOCKING & GARMENT CARE

Weaving Ends & Assembly

Take your time weaving in all those yarn tails securely on the wrong side of your two tone ribbed leg warmers. A neat finish truly makes your handmade items shine!

Blocking for Perfect Drape

Give your completed leg warmers a gentle steam block or pin them flat to the finished measurements. This step helps relax the fibers, evens out your stitches, and gives them a beautiful, professional drape.

Washing & Garment Care

To keep your gorgeous leg warmers looking their best, hand-wash them in cool water using a wool-safe detergent. Gently squeeze out excess water, then roll them in a clean towel to absorb even more moisture. Lay them flat on a clean, dry surface, away from direct sunlight, to air dry completely. These care steps will ensure your two tone ribbed leg warmers last for many cozy seasons to come!
